- B. Award a contract in the amount of \$2,607,909.34 to the lowest responsive bidder Sealand Contractors Corp. for the Scofield Road Storm Drainage Improvement Project.**

Staff Resource(s):

Mike Davis, Engineering and Property Management
Stewart Edwards, Engineering and Property Management

Explanation

- The Scofield Storm Drainage Improvement Project will replace undersized drainage pipes and address flooding along Scofield Road and Wintercrest Lane.
- The project is generally bounded by Park Road to the west, Barclay Downs Drive to the east, Selwyn Avenue to the north and Fairview Road to the south (Council District 6).
- The work will include:
 - Replacement of approximately 1,000 feet of storm drainage pipe and associated drainage structures,
 - Asphalt pavement repair,
 - Driveway repair, and
 - Incidental water and sanitary sewer replacement.
- The neighborhood may experience traffic delays and road closures during construction. There will be detour signage throughout the project area and a construction inspector will be assigned to address public concerns.
- On October 31, 2017, the City issued an Invitation to Bid; five bids were received from interested service providers.
- Sealand Contractors Corp. was selected as the lowest responsive, responsible bidder.
- The project is anticipated to be complete by second quarter 2019.
