Infrastructure and Overall Community Investment Plan Process

Staff Resource(s):

Debra Campbell, Assistant City Manager
Randy Harrington, Management and Financial Services
Mike Davis, Engineering and Property Management

Time: 1 hour

Explanation

- Overview of city infrastructure and Community Investment Plan (CIP) projects including components of CIP development, 2014-2020 Adopted Bond Plan, and other identified priorities.

Future Action

- Throughout the year, City Council will routinely be presented with various agenda items related to building and maintaining the City's infrastructure.
