Explanation

- The City operates and maintains 775 traffic signals throughout the City of Charlotte and ensures preventative maintenance is performed on all traffic signals every 12 to 18 months.
- The contracts will provide preventative maintenance of traffic signals for all traffic signals in the City.
- Preventative maintenance work includes testing and confirming correct operation of all components and cleaning of pedestrian and traffic signal lenses.
- On December 13, 2017, the City issued a Request for Proposal (RFP); two proposals were received from interested service providers.
- Econolite Systems, Inc. and Garrett James Company, LLC best meet the City's needs in terms of qualifications, experience, cost, and responsiveness to RFP requirements.
- The estimated contract expenditures for all contracts are \$750,000 over the three-year term.

Charlotte Business INclusion

No subcontracting goal was established for these contracts because there are no subcontracting opportunities.
