Federal Aviation Administration Lease

Action:

Approve a 33-month lease with the Federal Aviation Administration for the relocation of its weather bureau office.

Staff Resource(s):

Brent Cagle, Aviation
Haley Gentry, Aviation

Explanation

- The Federal Aviation Administration's weather bureau office is presently located in a facility that is scheduled for demolition in 2018.
- This lease provides for the temporary relocation of the weather bureau office pending completion of the new air traffic control tower in 2020. The weather bureau office will move to the air traffic control tower once it is complete.
- The total 33-month value of the lease with the Federal Aviation Administration for the weather bureau office is \$36,767.61.
