### Aircraft Training Cabins Donation

**Action:**

**Authorize the City Manager to accept a donation from American Airlines of two aircraft training cabins to be used for emergency training at the Airport.**

**Staff Resource(s):**

Brent Cagle, Aviation  
Jack Christine, Aviation

**Explanation**

- Multiple agencies at the Airport conduct emergency training drills and exercises using simulated aircraft.
- American Airlines has offered to donate two cabin trainers that simulate the interior cabins of an actual aircraft.
- These training cabins will allow multiple agencies, such as Charlotte-Mecklenburg Police Department, the Charlotte Fire Department, and Aviation Security and Airside Operations, to use for safety and security training purposes.
- This activity is occurring on airport property, which is in Council District 3.
