LaSalle Street Storm Drainage Improvement Project

Action:

Award a contract in the amount of \$628,888.43 to the lowest responsive bidder Zoladz Construction Co., Inc. for the LaSalle Street Storm Drainage Improvement Project.

Staff Resource(s):

Mike Davis, Engineering and Property Management
Stewart Edwards, Engineering and Property Management

Explanation

- The LaSalle Street storm drainage improvement project will address failing storm drainage systems on LaSalle Street between Botany Street and Senior Drive in the University Park Neighborhood, located in Council District 2.
- Work will include the installation of 1,300 linear feet of concrete pipe, incidental replacement of sanitary sewer, curb, gutter, and sidewalk.
- On February 21, 2018, the City issued an Invitation to Bid; four bids were received from interested service providers.
- Zoladz Construction Co., Inc. was selected as the lowest responsive, responsible bidder.
- The project is anticipated to be complete by fourth quarter 2018.

Charlotte Business INclusion

Established SBE Goal: 12.00%
