Airport Concourses B and C Trench Drain Design Services

Action:

Approve a contract in the amount of \$253,500 with Delta Airport Consultants, Inc. for professional design services for Concourse B and C trench drains replacement.

Staff Resource(s):

Brent Cagle, Aviation
Jack Christine, Aviation

Explanation

- The trench drains located on the ramps surrounding Concourse B and C need to be replaced so that aircraft can continue to safely operate around and travel across the drains.
- On March 23, 2017, the City issued a Request for Qualifications (RFQ) for general engineering consultant task order services. In response to the RFQ, the City received 24 proposals from interested professional service providers.
- Delta Airport Consultants, Inc. is the best qualified firm to meet the City's needs on the basis of demonstrated competence and qualification of professional services in response to the RFQ requirements.
- This activity is occurring on airport property, which is in Council District 3.

Charlotte Business INclusion

The City negotiates subcontracting participation after the proposal selection process (Part C: Section 2.1(h) of the Charlotte Business INclusion Policy).

Delta Airport Consultants, Inc. has committed 18.31% (\$46,405) of the total contract amount to the following firms:

- Accutech Surveying & Mapping, LLP (SBE) (\$18,300) (construction testing during design phase)
- On-Spec Engineering, PC (SBE) (\$28,105) (acceptance testing during the design phase)

Fiscal Note

Funding: Aviation Community Investment Plan

Funding to be replaced by future Passenger Facility Charges
