File #: 15-7617, Version: 1

Miscellaneous Stormwater Services

Action:

- A. Approve a contract with ESP Associates, Inc. for Miscellaneous Stormwater Services for three years, and**
- B. Authorize the City Manager to approve possible price adjustments and amend the contract consistent with the purpose for which the contract was approved.**

Staff Resource(s):

Mike Davis, Engineering and Property Management
Daryl Hammock, Engineering and Property Management

Explanation

- This contract will provide pipe inspection services, condition assessment, and planning and design of structural repairs of storm drainage infrastructure at various locations.
- This work will provide early detection of defects and allow the opportunity to make early repairs to prevent more costly replacements later.
- On July 31, 2017, the City issued a Request for Qualifications (RFQ) for Various Stormwater Support Services, 11 proposals were received from interested service providers.
- ESP Associates, Inc. is the firm best qualified to meet the City's needs on the basis of demonstrated competence and qualification of professional services in response to RFQ requirements.
- Estimated contract expenditures are \$400,000 over the three-year term.

Charlotte Business INclusion

The City negotiates subcontracting participation after the proposal selection process (Part C: Section 2.1(h) of the Charlotte Business INclusion Policy). ESP Associates, Inc. has identified WSBE firms to participate as project scopes are defined, and committed at least 10% of the total contract amount to certified firms.

- Wescott Structures, PA (WSBE) (structural engineering)
- RoadMaster Traffic Control, LLC (WBE) (traffic control)

Fiscal Note

Funding: Stormwater Operating Budget
