Contract Amendment for Idlewild/Rama/Monroe Road Intersection Improvements

Action:

Approve contract amendment #1 for \$194,340 to Kimley-Horn and Associates, Inc. for additional professional services.

Staff Resource(s):

Mike Davis, Engineering and Property Management
Veronica Wallace, Engineering and Property Management

Explanation

- The purpose of this project is to increase intersection capacity and improve travel conditions for vehicles, pedestrians, bicyclists, and transit users at the Idlewild/Rama/Monroe Intersection located in Council District 5.
- Contract amendment #1 includes funding for additional items not covered under the original contract. These include:
 - Design services for a new 36-inch water main for Charlotte Water,
 - Additional survey for coordination with adjacent developments, and
 - Additional public outreach.
- On June 13, 2016, City Council approved the original contract in the amount of \$805,200 for planning and engineering.
- The new contract amount including this contract amendment is \$999,540 and is included in the project budget.

Charlotte Business INclusion

All additional work involved in this amendment will be performed by Kimley-Horn and Associates, Inc. and their existing subconsultants (Part D: Section 6 of the Charlotte Business INclusion Policy).

Kimley-Horn and Associates, Inc. has committed 72.11% (\$140,140) of the total amendment amount to the following certified firm(s):

- Hinde Engineering, Inc. (SBE), \$90,140, utilities
