Shawn Coffman, Charlotte Water

Explanation

- Charlotte Water operates a number of security-sensitive facilities that have specialized industrial security, access control, and video systems. The security equipment requires a wide variety of preventative maintenance, repair, and installation services. This contract will provide those services.
- On March 12, 2018, the City issued a Request for Proposal (RFP); four proposals were received.
- SAF Technologies, Inc. was determined to be the best qualified firm to meet the City's needs on the basis of demonstrated competence and qualification in response to the RFP requirements.
- Contract expenditures are estimated to be \$300,000 annually or \$1.5 million over a five-year term.

Charlotte Business INclusion

No subcontracting goals were established because there are no subcontracting opportunities (Part C: Section 2.1(a) of the Charlotte Business INclusion Policy).
