UNC Charlotte Conference Center

Staff Resource(s):

Ron Kimble, City Manager's Office

Time: 20 minutes

Explanation

- UNC Charlotte plans to construct an on-campus development of a conference center and hotel at a LYNX Blue Line Extension stop.
- This presentation will provide background on the planned project and a potential partnership with UNC Charlotte for the construction of the conference center.

Future Action

On July 23, City Council will be asked to consider a funding request to support the construction of the Conference Center. Additionally, a public hearing on a related rezoning petition will be held during the July 23 Council Business Meeting, with a decision anticipated during the August 27 Council Business Meeting.
