Explanation

- One of City Council's priorities is to build and preserve vibrant and diverse neighborhoods by expanding the supply of affordable housing through new construction and preservation of the existing housing stock.
- The sale of City properties on Parkwood Avenue for use as affordable housing furthers this goal by creating an affordable homeownership opportunity.
- The use of publicly owned land to achieve affordable homeownership for households earning 80 percent and below of the area median income is consistent with both the Housing Charlotte Framework and national best practices.
- This transaction is also consistent with the Council-adopted Real Estate and Facilities Policy.
- The vacant, City-owned properties total 0.259 acres and are currently zoned B-1 (neighborhood business) permitting residential uses in Council District 1.
- An appraisal of the property on April 9, 2018, established a fair market value of \$209,300.
- Vista Homes II desires to purchase the City-owned parcels for the development of a diverse price point housing community with an affordable, HouseCharlotte qualified unit.
- The offer from Vista Homes II, LLC includes the following terms:
 - Purchase price of \$140,000,
 - Earnest money deposit of \$7,000 within five days of City Council's approval to accept the offer,
 - Due diligence period of 60 days,
 - Closing to occur within 120 days from the end of the due diligence period, and
 - The City will retain a 15-foot easement that will serve as a pedestrian and bike connector to enhance the future Parkwood Avenue and The Plaza improvement project.
- Additionally, the land will enable a HouseCharlotte approved purchaser to obtain a homeownership opportunity, in an area of high opportunity.
- The HouseCharlotte program provides deferred, forgivable down payment assistance loans to qualified applicants to purchase homes within Charlotte City limits.
- The proposed housing unit will be available to households earning 80 percent or below of the area

median income with a 10-year affordability deed restriction placed on the affordable unit.

- The maximum purchase price for the new construction unit is \$224,000, which is approximately \$103,000 less than the other market rate units in the same development.

Fiscal Note

Funding: Proceeds from the sale will be deposited into the City's General Fund.
