Airport Federal Aviation Administration Grant Acceptance

Action:

Adopt a resolution accepting a grant in the amount of \$3,000,000 from the Federal Aviation Administration for Airport projects.

Staff Resource(s):

Brent Cagle, Aviation
Jack Christine, Aviation

Explanation

- The Federal Aviation Administration annually apportions Airport Improvement Program funds into several categories. Any remaining funds are considered discretionary and distributed based on a national prioritization system.
- The total amount of the discretionary grant funding for Fiscal Year 2018 is \$3,000,000.
- Per the grant terms, proceeds from this grant will fund 75 percent of the project cost for the reimbursement of the Environmental Impact Statement.
- Aviation will pay for the remaining 25 percent of the project costs, which is \$1,000,000.
- The Aviation Department intends to seek approval from the Federal Aviation Administration to reimburse local funds spent with future Passenger Facility Charge funds.
- This activity is occurring on airport property, Council District 3.

Fiscal Note

Funding: Aviation Community Investment Plan
