### **Transportation Strategy - Charlotte Department of Transportation**

**Staff Resource(s):**

Liz Babson, Transportation

**Time:** 20 minutes

**Explanation**

- This presentation will provide information on the city's vision and strategy for transportation infrastructure.
- The overview will include discussion on Vision Zero.
- Goals of the Charlotte Department of Transportation include: promoting safety, mobility, and community building in all that we do.

**Future Action**

At a future meeting, City Council may be asked to consider ordinance amendments regarding dockless bike share and e-scooters based on lessons learned from the 12-month pilot program.
