Charlotte Future 2040 Comprehensive Plan Follow-Up

Staff Resource(s):

Taiwo Jaiyeoba, Planning, Design and Development

Time: 10 minutes

Explanation

- During the Action Review on July 23, 2018, the Planning, Design and Development department provided an overview of the Charlotte Future - 2040 Comprehensive Plan. A major element of the shared vision of growth, development, and capital investments is ongoing communication with City Council and the community. The Planning, Design and Development department will share how the Charlotte Future - 2040 Comprehensive Plan will link, incorporate, and update all existing plans.
- The Charlotte Future - 2040 Comprehensive Plan is anticipated to guide future growth, the evolution of our community's built character, and capital investments throughout Charlotte and our Extra Territorial Jurisdictions. It is also intended to inform the creation of a Unified Development Ordinance, a key implementation tool for achieving the community vision.

Future Action

City Council will be asked to authorize the City Manager to negotiate a contract with MIG, Inc. for Charlotte Future - 2040 Comprehensive Plan Services during the Business Meeting on September 10. MIG, Inc. will provide additional staff resources and expertise for the Planning, Design and Development department so there is no disruption in existing planning and zoning activities while the Charlotte Future - 2040 Comprehensive Plan is developed.
