CATS Video Maintenance and Repair Services

Action:

Approve a contract for \$263,463 with Transit Solutions LLC (TSI) for Video Maintenance and Repair services at various CATS facilities.

Staff Resource(s):

John Lewis, CATS

Kenneth Chapman, CATS

Explanation

- The City installs and maintains cameras and Blue Light phones in order to provide safety and security at all CATS facilities, equipment, and land.
- The City previously contracted with TSI to maintain facility and alignment cameras and Blue Light phones for CATS; that contract with TSI has now expired.
- On December 11, 2017, City Council authorized an agreement with A3 Communication based on a competitive solicitation process.
- Prior to going live, the new vendor, A3 Communications, requires onboarding, safety, and security training.
- In order to maintain continuity of safety and security services, a contract is necessary with the previous vendor, TSI, while the new vendor, A3 Communications, completes the required training.
- Waiver of a competitive solicitation process may be granted on a limited basis when deemed appropriate and in the City's best interest. A waiver has been approved for these services.
- The contract amount is \$263,463 and covers the period between January 1, 2018 and September 30, 2018, for services rendered during A3 Communication's on boarding time period.

Charlotte Business INclusion
