Staff Resource(s):

Brent Cagle, Aviation
Jack Christine, Aviation

Explanation

- On October 9, 2017, City Council approved a construction contract with Hi-Way Paving, Inc. in the amount of \$12,823,949 to rehabilitate the existing concrete and asphalt pavements of Taxiway A.
- As part of this project, the City has requested that Hi-Way install additional aircraft ramp and tractor trailer parking adjacent to the project site. This additional ramp will be utilized by United Parcel Service (UPS) for its cargo operations.
- The change order work includes concrete paving, asphalt paving, security fencing, light pole relocations, and underground electrical work to accommodate a new tractor trailer parking lot for UPS. This parking lot will also be used to stage the UPS ground service equipment.
- UPS has agreed to reimburse the City in the amount of \$847,981.60 for the aircraft ramp and parking expansion. UPS previously reimbursed the City for design services related to the UPS work under a separate reimbursement agreement dated June 27, 2018
- The additional \$94,290.40 included in change order #1 is related to the original Taxiway A rehabilitation project scope.
- The new total value of the contract including change order #1 is \$ 13,766,221.
- This activity is occurring on airport property, Council District 3.

Disadvantaged Business Enterprise

All additional work involved in this change order will be performed by Hi-Way Paving Inc. and their existing subcontractors.

Fiscal Note

Funding: Aviation Community Investment Plan and reimbursement of \$847,981.60 by UPS
