### **Airport Architectural Consultation Services**

#### **Action:**

**Approve contracts for architectural consultation services with the following vendors for a three-year term:**

- **RS&H Architects Engineers Planners, Inc.,**
- **The Wilson Group Architects, PA.,**
- **GS&P/NC PC, and**
- **C Design Inc.**

#### **Staff Resource(s):**

Brent Cagle, Aviation  
Jack Christine, Aviation

#### **Explanation**

- The Aviation Department requires architectural consultation and programming services for terminal, cargo, and all ancillary airport facilities.
- On March 23, 2017, the City issued a Request for Qualifications; 16 proposals were received.
- RS&H Architects Engineers Planners, Inc., The Wilson Group Architects, PA., GS&P/NC PC, and C Design Inc. best meet the City's needs in terms of qualifications and experience.
- Pricing for these services will be based on the size and nature of the project.
- Total estimated contract expenditures for all contracts over the three-year term are \$4,500,000.

#### **Charlotte Business INclusion**

No subcontracting goal was established for this selection because there are no subcontracting opportunities (Part C: Section 2.1(a) of the Charlotte Business INclusion Policy).

However, The Wilson Group Architects, PA and C Design Inc are certified SBE firms.

#### **Fiscal Note**

Funding: Aviation Community Investment Plan
