Explanation

- The Charlotte-Mecklenburg Police Department's (CMPD's) Community Policing Crisis Response Team (CPCRT) is being established to provide improved public safety and service through the deployment of Officers and licensed mental health clinicians.
- The objective of the CPCRT is to decrease the number of injuries and incarcerated mentally ill individuals by acting as an entry point into mental health treatment.
- Situations will be deescalated by providing a licensed mental health professional, paired with law enforcement response, to persons and families suffering from behavioral health crises or substance abuse disorders.
- On October 10, 2018 the City issued a Request for Proposals (RFP); one response was received.
- Matrix Mental Health Alliance, LLC best meets the City's needs in terms of qualifications, experience, cost, and responsiveness to RFP requirements
- Total expenditure over the five-year term of the contract, if renewed annually, would be \$3,505,621.
