Airport Engineering Consultation Services

Action:

Approve a contract with the following firms for engineering consultation services for a term of three years:

- **WSP USA, Inc.,**
- **RS&H, Inc.,**
- **Delta Airport Consultants, Inc. and**
- **Talbert, Bright, and Ellington, Inc.**

Staff Resource(s):

Brent Cagle, Aviation
Jack Christine, Aviation

Explanation

- Aviation requires engineering consultation, design services, and construction administration for terminal, cargo, airfield, and landside site development facilities.
- On March 23, 2017, the City issued a Request for Qualifications (RFQ); 25 proposals were received.
- The firms selected best meets the City's needs in terms of qualifications, experience, cost, and responsiveness to RFQ requirements.
- The pricing for these services is based on the size and nature of the requested task order service. Aviation staff will review and verify the estimates for each project.
- Total estimated expenditures across all contracts over the three-year term are \$4,000,000.
- This activity is occurring on Airport property (Council District 3).
