### Steele Creek Gravity Sewer Construction

#### **Action:**

**Approve a contract in the amount of \$12,445,990.86 to the lowest responsive bidder Dellinger Inc. for the Steele Creek Gravity Sewer Construction project.**

#### **Staff Resource(s):**

Angela Lee, Charlotte Water  
Ron Hargrove, Charlotte Water

#### **Explanation**

- This project will install a new, larger diameter sewer pipe along Steele Creek, between Carowinds Boulevard to just north of Westinghouse Boulevard (Council District 3).
- Charlotte Water projects that future development in this area will require increased capacity.
- On March 7, 2019, the city issued an Invitation to Bid; five bids were received.
- Dellinger Inc. was selected as the lowest responsive, responsible bidder.
- The project is anticipated to be complete by the fourth quarter of 2019.
- To contribute to the city's workforce development program, Dellinger Inc. would like to mentor, train, and employ two individuals from the Charlotte Pipeline Academy. This effort will help development of a pipeline of future workers with the unique skills, knowledge, and abilities to fill entry-level positions within the industry.

#### **Charlotte Business INclusion**

Established MSBE Goal: 10.00%

Committed MSBE Goal: 3.81%

MSBE Participation to Date: 7.02%

Dellinger Inc. did not meet the established subcontracting goal at time of Bid, but earned the required Good Faith Efforts points (Part B: Section 5 of the Charlotte Business INclusion Policy). At time of Bid, Dellinger Inc. committed 3.81% (\$474,626) of the total contract amount to the following certified firms:

- All Points Trucking Inc. (SBE, WBE) (\$143,484) (hauling)
- Sanders Constructors Inc. (SBE) (\$114,492) (clearing)
- P & TL Inc. (SBE) (\$104,000) (silt fence and seeding)
- CES Group Engineers LLP (SBE, WBE) (\$82,650) (as-builts)
- Maybury Fencing Inc. (SBE) (\$30,000) (fence and gate)

Dellinger Inc. continues to work towards increasing their participation and, subsequent to the Bid Opening, has committed an additional 3.21% (\$399,673.28) to the following certified firms:

- AMP Utility Distribution Services, LLC (SBE, WBE) (\$248,000) (utility pipe and materials)
- Trull Contracting LLC (SBE, WBE) (\$107,400) (asphalt pavement replacement)
- Habitat Assessment and Restoration Program, Inc. (SBE, WBE) (\$41,000) (live stakes and tubing)
- Fast Signs Charlotte (SBE) (\$3,273.28) (project signs)

#### **Fiscal Note**

Funding: Charlotte Water Community Investment Plan
