Bridge Painting Services

Action:

Approve a contract in the amount of \$826,903.99 to the lowest responsive bidder Astron General Contracting Company, Inc. for bridge painting services.

Staff Resource(s):

Liz Babson, Transportation
Geoffrey Sloop, Transportation

Explanation

- The Federal Highway Administration mandates that bridges and culverts be inspected every two years for structural adequacy, safety, and functionality.
- The city is responsible for the inspection and maintenance of 205 bridges within city limits.
- The paint service contract provides for routine maintenance work to 20 bridges identified through the inspection process. The identified bridges are located in Council Districts 1,2,3,6, and 7.
- Painting maintenance protects and preserves the steel components of the structure.
- Work may include but is not limited to:
 - Removal, containment, and disposal of the existing paint,
 - Surface preparation,
 - Painting, and
 - Traffic control.
- On June 4, 2019, the city issued an Invitation to Bid; six bids were received.
- Astron General Contracting Company, Inc. was selected as the lowest responsive, responsible bidder.
