Construct Charlotte-Mecklenburg Police Department University City Division Station

Action:

Approve a contract in the amount of \$9,503,205 to the lowest responsive bidder Miles-McClellan Construction Company, Inc. for the Charlotte-Mecklenburg Police Department University City Division Station project.

Staff Resource(s):

Mike Davis, General Services
William Haas, General Services
Kerr Putney, Police
Estella Patterson, Police

Explanation

- The planned University City Division Police Station project includes construction of a 16,081-square-foot facility at 8452 North Tryon Street, located in Council District 4.
- The University City Division is currently occupying a leased property at 8401 University Executive Park Drive.
- In 2010, City Council approved the Facilities Strategic Plan for Police Stations. The goals for division stations in the Plan are:
 - Owned and maintained by the city, not located in leased facilities,
 - Constructed in highly visible and accessible locations that contribute to the community perception of safety and security,
 - Sized to accommodate future personnel growth and support the functions a patrol division is expected to provide to the community,
 - Designed to be highly recognizable as a CMPD division station while reflecting the exterior design context of the community where it is located, and
 - Support the functional needs of a patrol division based on a standardized facility design template.
- This facility has been designed to achieve basic-level LEED version 4 certification per the City Policy on Sustainable Facilities.
- On May 10, 2019, the city issued an Invitation to Bid; no bids were received.
- On June 26, 2019, the city re-issued an Invitation to Bid; four bids were received.
- Miles-McClellan Construction Company, Inc. was selected as the lowest responsive, responsible bidder.
- The project is anticipated to be complete by third quarter 2020.

Charlotte Business INclusion
