Upgrade and Enhance the Charlotte-Mecklenburg Police Department Training Facility

Action:

Accept \$1,000,000 in funding and ratify a Memorandum of Agreement with the Federal Bureau of Investigation (FBI) for training facility enhancements and the FBI's use of the training facility.

Staff Resource(s):

Kerr Putney, Police
Jeff Estes, Police

Explanation

- The city operates a law enforcement training facility to provide for the training and testing for Charlotte-Mecklenburg Police Department (CMPD) officers.
- The Federal Bureau of Investigation (FBI) has operational responsibilities for maintaining the firearms proficiency of its Special Agents and other personnel assigned to its Charlotte Field Office.
- The FBI has a longstanding and positive working relationship with the city and has used the Firearms Range continuously for many years.
- The FBI is seeking to fund enhancements to the Firearms Range in exchange for use of the facility without fee for a period of 20 years.
- The FBI will reimburse the city up to \$1,000,000 to fund upgrades and enhancements to the Firearms Range. Enhancements may include:
 - Construction of a modular classroom with audio/video capabilities that can seat 50 or more students for training, and
 - Replacement barrier shields on the firearms range.
