File #: 15-11373, Version: 1

McAlpine Creek Sanitary Sewer Rehabilitation Phase I

Action:

Approve a contract in the amount of \$3,613,382.44 to the lowest responsive bidder Insituform Technologies, LLC for the McAlpine Creek Sanitary Sewer Rehabilitation project.

Staff Resource(s):

David Czerr, Charlotte Water
Ronald Hargrove, Charlotte Water
Scott Clark, Charlotte Water

Explanation

- This project will rehabilitate 7,515 linear feet of 54-inch pipe by installing a liner within the existing McAlpine Creek Sewer Outfall beginning at Charlotte Country Day Middle School and running south along McAlpine Creek (adjacent to Council Districts 6 and 7).
- The new pipe lining is a corrosion-resistant product that is expected to extend the life of the sanitary sewer line another 50 years.
- On June 7, 2019, the city issued an Invitation to Bid; five bids were received.
- Insituform Technologies, LLC was selected as the lowest responsive, responsible bidder.
- The project is anticipated to be complete by the fourth quarter of 2020.
- Phases II and III are planned for Fiscal Year 2021 and Fiscal Year 2022.

Charlotte Business INclusion

No subcontracting goal was established because there are no subcontracting opportunities (Part B: Section 2.3 of the Charlotte Business INclusion Policy).

Fiscal Note

Funding: Charlotte Water Capital Investment Plan
