File #: 15-11519, Version: 1

Amendment to Interlocal Agreements with Lancaster County Water and Sewer District

Action:

Adopt a resolution to authorize the City Manager to execute an amendment for the sale of water by and between the City of Charlotte and Lancaster County Water and Sewer District.

Staff Resource(s):

David Czerr, Charlotte Water
Ron Hargrove, Charlotte Water

Explanation

- The proposed amendment will change the water sales rate charged to the Lancaster County Water and Sewer District (LCW&SD) for consumption from the Tier 3 residential rate to the non-residential rate that is typically charged to wholesale or bulk water users. All other provisions of the agreements will remain in their current state.
- The city periodically enters into regional agreements to provide water or collect and treat wastewater with neighboring municipalities.
- On March 23, 1998, Council approved a water sale agreement between the city and LCW&SD.
- On May 16, 2006, Council approved an agreement for the city to sell water to LCW&SD at Dorman Road, under which LCW&SD purchased a specified quantity of treated water through a meter located at the state line between Lancaster and Mecklenburg Counties.
- On January 9, 2017, Council amended these agreements to allow LCW&SD to purchase additional water capacity from the City.
