Odor Scrubber Units

Action:

- A. Approve a contract with Syneco Systems, Inc. for the leasing of odor scrubber units for an initial term of three years, and**
- B. Authorize the City Manager to renew the contract for up to two, three-year terms with possible price adjustments and to amend the contract consistent with the purpose for which the contract was approved.**

Staff Resource(s):

Ron Hargrove, Charlotte Water
Travis Hunnicutt, Charlotte Water

Explanation

- This contract allows the city to lease odor scrubber units as an odor control solution for its sewage pumping stations.
- Pumping stations are essential to providing wastewater service, and these odor scrubber units reduce odors associated with the pumping stations.
- Leasing odor scrubber units, which have a relatively short useful life of two to three years, is a best practice.
- The lease contract provides for any necessary replacement parts and maintenance during the lease period.
- Annual expenditures are estimated to be \$138,000.

Charlotte Business INclusion

Per Charlotte Business INclusion Policy: Part C: Section 2.1(a) The city shall not establish Subcontracting Goals for Contracts where: (a) there are not subcontracting opportunities identified for the Contract; or (b) there are no SBEs or MBEs certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

This contract meets the provisions of (b) - there are no SBEs or MBEs certified to provide the product.
