Explanation

- The city purchases chemicals, repair parts, and services for drive-through wash facilities owned by the city.
- These chemicals and services are used to wash, maintain, and disinfect various heavy trucks and equipment, including, but not limited to, Solid Waste Services collection trucks; dump trucks, sewer trucks, and rodder trucks operated by Charlotte Water; salt spreaders and road repair equipment operated by the Charlotte Department of Transportation; and rail cars operated by the Charlotte Area Transit System.
- On August 9, 2019, the city issued an Invitation to Bid; three bids were received.
- Loyal Systems, Inc. was selected as the lowest responsive, responsible bidder.
- Total annual expenditures are estimated to be \$200,000.

Charlotte Business INClusion

Per Charlotte Business INClusion Policy: Part C: Section 2.1(a) The city shall not establish Subcontracting Goals for Contracts where: (a) there are not subcontracting opportunities identified for the Contract; or (b) there are no SBEs or MBEs certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

This contract meets the provisions of (a) - No subcontracting opportunities.
