#### **Explanation**

- The city installs and maintains road drainage structures within the right-of-way to prevent flooding and water ponding on streets.
- Catch basin grates, frames, and hoods are necessary to collect runoff from the roadway and direct it to the storm water collection system.
- On September 17, 2019, the city issued an Invitation to Bid; three bids were received.
- Fortiline, Inc. was selected as the lowest responsive, responsible bidder.
- Total annual expenditures are estimated to be \$172,000.

#### **Charlotte Business INClusion**

Per Charlotte Business INClusion Policy: Part C: Section 2.1(a) The city shall not establish Subcontracting Goals for Contracts where: (a) there are not subcontracting opportunities identified for the Contract; or (b) there are no SBEs or MBEs certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

This contract meets the provisions of (a) - No subcontracting opportunities.
