McDowell Creek Wastewater Treatment Plant Diffuser and Clarifier Mechanism Replacement

Action:

Approve a contract in the amount of \$3,928,878 to the lowest responsive bidder M. B. Kahn Construction Co., Inc. for the McDowell Creek Wastewater Treatment Plant Diffuser and Clarifier Mechanism Replacement project.

Staff Resource(s):

David Czerr, Charlotte Water
Ron Hargrove, Charlotte Water
Carl Wilson, Charlotte Water

Explanation

- This project provides for the replacement of the aeration diffusers and a clarifier mechanism at the McDowell Creek Wastewater Treatment Plant, located in the Town of Huntersville (adjacent to Council District 2).
- On October 18, 2019, the city issued an Invitation to Bid (ITB); two bids were received.
 - G.S. 143-132 prohibits municipalities from awarding construction contracts over \$500,000 without receiving at least three competitive bids from the initial advertisement of the contract. The city may subsequently award the contract even if re-advertisements result in fewer than three competitive bids.
- On November 22, 2019, the ITB was re-issued; two bids were received.
- M. B. Kahn Construction Co., Inc. was selected as the lowest responsive, responsible bidder.
- The project is anticipated to be complete by the first quarter of 2021.
