### Interlocal Agreement with Union County

**Action:**

**Adopt a resolution to authorize the City Manager to execute an interlocal agreement with Union County to revise the rate charged for the sale of water between the City of Charlotte and Union County.**

**Staff Resource(s):**

David Czerr, Charlotte Water  
Ron Hargrove, Charlotte Water

**Explanation**

- The proposed agreement will change the water sales rate charged to Union County for consumption from the Tier 3 residential rate to the non-residential rate charged to wholesale or bulk water users. All other provisions of the previous agreements will remain in the current state.
- The city periodically enters into regional agreements to provide water service or to collect and treat wastewater with neighboring municipalities.
- On June 3, 1991, Council approved a water supply agreement between the city and Union County.
- On April 12, 1996, Council approved an agreement for the city to sell water during emergency conditions to Union County.
- On June 7, 2002, Council approved an amendment to the 1996 agreement that established the rate for providing water service to Union County.
