Ron Hargrove, Charlotte Water

#### **Explanation**

- These contracts will allow for rental of pumps and related equipment with multiple vendors to perform bypass pumping to reroute flow throughout the water and wastewater system during emergency repairs.
- On June 8, 2020, the city issued a Request for Proposals (RFP); four responses were received.
- The companies selected best meet the city's needs in terms of qualifications, experience, cost, and responsiveness to RFP requirements.
- Total annual expenditures are estimated to be \$640,000.
- These contracts include components necessary to be eligible for federal reimbursement for declared emergencies.

#### **Charlotte Business INClusion**

Per Charlotte Business INClusion Policy: Part C: Section 2.1(a) The city shall not establish Subcontracting Goals for Contracts where (a) there are no subcontracting opportunities identified for the Contract; or (b) there are no MBEs or SBEs certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

These contracts meet the provisions of (a) - No subcontracting opportunities.
