Explanation

- CATS Bus Operations Division uses proprietary Original Equipment Manufacturer Detroit bus engine parts in the daily maintenance and repair of the CATS bus fleet.
- The Original Equipment Manufacturer bus engine parts meet the required specification standards to keep the buses in the proper operating condition and to maintain the bus engine warranties.
- Bus engine parts will be ordered on an as-needed basis. The contract amount is based on prior usage and required inventory stock levels.
- On June 24, 2020, the city issued an Invitation to Bid; three bids were received.
- Clarke Power Services was selected as the lowest responsive, responsible bidder.
- Annual expenditures are estimated to be \$430,000.

Disadvantaged Business Enterprise (DBE)

No goals shall be established on Contracts where: (a) there are no subcontracting opportunities identified for the Contract; or (b) there are no DBEs certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

These contracts meet the provisions of (a) - No subcontracting opportunities.
