Airport Master Civil Engineering Consultant Services

Action:

- A. Approve a contract with Aviation Consulting Engineers, LLP for master civil engineering consultant services for an initial term of five years, and**
- B. Authorize the City Manager to renew the contract for up to two, one-year terms with possible price adjustments and to amend the contract consistent with the purpose for which the contract was approved.**

Staff Resource(s):

Haley Gentry, Aviation
Jack Christine, Aviation

Explanation

- The services performed under this contract will include tasks that facilitate decision-making and implementation of projects included in Aviation's Destination CLT Capital Improvement Program.
- Anticipated tasks include project-specific issues, such as program development and verification, cost estimating, technical bridging, and procurement documents. Depending on the project, this could include preliminary engineering/design services.
- On October 1, 2020, the city issued a Request for Qualifications (RFQ); nine responses were received.
- Aviation Consulting Engineers, LLP is the best qualified firm to meet the city's needs based on demonstrated competence and qualification of professional services in response to the RFQ requirements.
- Annual expenditures are estimated to be \$4,000,000.
- This activity is occurring on Airport property, located in Council District 3.

Charlotte Business INClusion /Disadvantaged Business Enterprise

There are no subcontracting goals associated with this selection. However, DBE and/or MWSBE goals will be negotiated as scopes of work are assigned. Aviation will monitor goal achievement throughout the life of the contract.
