Airport Electrical Transmission Line Relocation Reimbursement

Action:

- A. Authorize the City Manager to execute a reimbursement agreement with Duke Energy for electrical transmission line relocation required to enable construction of Airport's North End Around Taxiway project, and**
- B. Authorize the City Manager to amend the agreement consistent with the purpose for which the agreement was approved.**

Staff Resource(s):

Haley Gentry, Aviation
Jack Christine, Aviation

Explanation

- Aviation is currently in the design phase for the North End Around Taxiway (NEAT), which will increase operational efficiency and enhance safety by reducing runway crossings for Runway 18C-36C.
- Duke Energy owns and operates a transmission facility that conflicts with the NEAT project.
- The city has requested that Duke Energy relocate the transmission line.
- Aviation will reimburse Duke Energy for the cost of the work, which is estimated at approximately \$3,682,795.
- This activity is occurring on airport property, located in Council District 3.

Fiscal Note
