- B. Authorize the City Manager to amend the contract consistent with the purpose for which the contract was approved.**

Staff Resource(s):

Haley Gentry, Aviation
Jack Christine, Aviation

Explanation

- This project will provide the capacity to simultaneously taxi two aircraft around Concourses D and E to alleviate congestion of aircraft taxi operations.
- This contract will provide field survey, geotechnical investigation, engineering, design, and bidding services for the Ramp Dual Taxilane project.
- On March 20, 2020, the city issued a Request for Qualifications (RFQ); 13 responses were received.
- RS&H Architects-Engineers-Planners, Inc. is the best qualified firm to meet the city's needs based on demonstrated competence and qualification of professional services in response to the RFQ requirements.
- Design is anticipated to be completed by December of 2021. Aviation intends to return to City Council in the Spring of 2022 with a contract amendment to include construction administration services.
- This activity is occurring on Airport property, located in Council District 3.
