Governor's Highway Safety Program Grant for Traffic Safety - Law Enforcement Liaison

Action:

Adopt a resolution authorizing the City to accept a grant award of in the amount of \$25,000 from the North Carolina Governor's Highway Safety Program.

Staff Resource(s):

Johnny Jennings, Police
Jonathan Wally, Police
John Reibold, Police

Explanation

- The Charlotte-Mecklenburg Police Department has been awarded a \$25,000 grant from the Governor's Highway Safety Program (GHSP), which provides the following:
 - \$17,500 to purchase five additional LIDAR radar units used in police vehicles and radar speed signs to help enforce speed limit laws, and
 - \$7,500 for the Regional Law Enforcement Liaison's travel, training, and meeting expenses.
- The grant is for a one-year term from October 1, 2022, through September 30, 2023.
- GHSP requires that City Council pass a resolution authorizing the acceptance of the grant funding.
- No matching funds are required from the City.

Fiscal Note

Funding: General Grants Fund
