CATS Hi-Rail Bucket Trucks

Action:

Approve a contract in the amount of \$819,504.32 to the lowest responsive bidder Altec Industries Inc. for the purchase of two hi-rail bucket trucks.

Staff Resource(s):

John Lewis, Jr., CATS
Allen C. Smith, CATS

Explanation

- Rail bucket trucks are essential to maintaining the overhead catenary system for revenue service during preventative maintenance for CATS' LYNX light rail system.
- These vehicles will ensure safe, reliable transportation along the rail alignment to address any power-related issues and will transport employees along the alignment during incidents that may have caused traffic congestion.
- On September 22, 2020, the City issued an Invitation to Bid; three bids were received.
- Altec Industries Inc. was selected as the lowest responsible, responsive bidder.

Disadvantaged Business Enterprise (DBE)

No goals shall be established on Contracts where: (a) there are no subcontracting opportunities identified for the Contract; or (b) there are no DBEs certified to perform the scopes of work that the City regards as realistic opportunities for subcontracting.

This contract meets the provisions of (a) - No subcontracting opportunities.

Fiscal Note

Funding: CATS Capital Investment Plan
