### Centrifuge Preventive Maintenance and Repair Services

#### **Action:**

- A. Approve a one-year contract renewal for the contract with Andritz Separation Inc. for Mallard Creek Wastewater Treatment Plant centrifuge preventive maintenance and repair services, and**
- B. Authorize the City Manager to amend the contract consistent with the purpose for which the contract was approved.**

#### **Staff Resource(s):**

Angela Charles, Charlotte Water  
Ron Hargrove, Charlotte Water  
Travis Hunnicutt, Charlotte Water

#### **Explanation**

- This contract provides for preventative maintenance and repair services for dewatering and thickening centrifuges at the Mallard Creek Wastewater Treatment Plant (WWTP), located within Council District 4.
- The contract renewal will extend the term of the contract and will include preventative maintenance services for three centrifuges at the plant.
- On February 25, 2019, the city issued a Request for Proposals (RFP); two responses were received.
- Andritz Separation Inc. best met the city's needs in terms of qualifications, experience, cost, and responsiveness to RFP requirements.
- The new estimated value of the contract, including this renewal, is \$650,000.

#### **Charlotte Business INclusion**

Per Charlotte INclusion Policy: Part C: Section 2.1(a) The city shall not establish subcontracting goals for contracts where (a) there are no subcontracting opportunities identified for the contract; or (b) there are no SBEs, MBEs, or WBEs (as applicable) certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

This contract meets the provision of (a) - No subcontracting opportunities.
