### Injection Grouting and Pipe Lining Services

#### **Action:**

- A. Approve a unit price contract with Nu-Pipe, LLC for grouting and pipe lining services for an initial term of three years, and**
- B. Authorize the City Manager to renew the contract for up to two, one-year terms with possible price adjustments and to amend the contract consistent with the purpose for which the contract was approved.**

#### **Staff Resource(s):**

Angela Charles, Charlotte Water  
Mike Davis, Storm Water Services  
Logan Oliver, Storm Water Services

#### **Explanation**

- Injection grouting and cured-in-place pipe lining are trenchless technologies that are used to repair and/or rehabilitate storm drainage infrastructure to maximize and extend the useful life of the system.
- On July 19, 2022, the city issued a Request for Proposals (RFP); four responses were received.
- Nu-Pipe, LLC meets the city's needs in terms of qualifications, experience, cost, and responsiveness to RFP requirements.
- Annual expenditures are estimated to be \$1,000,000.

#### **Charlotte Business INClusion**

Per Charlotte Business INClusion Policy: Part C: Section 2.1(a) The city shall not establish Subcontracting Goals for Contracts where (a) there are no subcontracting opportunities identified for the Contract; or (b) there are no MWBES or SBEs certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

These contracts meet the provisions of (a) - No subcontracting opportunities.

#### **Fiscal Note**

Funding: Storm Water Operating Budget
