

ORDINANCE

AN ORDINANCE ORDERING THE DEMOLITION AND REMOVAL OF THE DWELLING AT 1101 VICKERY DRIVE PURSUANT TO THE HOUSING CODE OF THE CITY OF CHARLOTTE AND ARTICLE 12, CHAPTER 160D OF THE GENERAL STATUTES OF NORTH CAROLINA, SAID BUILDING BEING THE PROPERTY OF KNOWN AND UNKNOWN HEIRS OF KELLY K. EDDINGS, 1101 VICKERY DRIVE CHARLOTTE, NC 28215.

WHEREAS, the dwelling located at 1101 Vickery Drive in the City of Charlotte has been found by the Code Enforcement Official of the City of Charlotte to be in violation of the Housing Code of the City of Charlotte and the owners thereof have been ordered to demolish and remove said dwelling; and

WHEREAS, said owner(s) have failed to comply in a timely fashion.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Charlotte, North Carolina, that the Code Enforcement Official of the City of Charlotte is hereby ordered to cause the demolition and removal of the dwelling located at 1101 Vickery Drive in the City of Charlotte in accordance with the Housing Code of the City of Charlotte. This Ordinance shall become effective upon its adoption.

APPROVED AS TO FORM:

Senior Assistant City Attorney

---------------	---

STAFF RECOMMENDATION
<ul style="list-style-type: none"> • In Rem Demolition <p><u>Recommendation Rationale</u></p> <ul style="list-style-type: none"> • The structure suffered a catastrophic fire on October 28, 2023. • As a result of the fire, structure is dilapidated, unsafe and unfit for human habitation, evidencing a prolonged lack of essential property upkeep and failure to maintain or repair minimum standards of fitness. • Owner(s) have not obtained any permits for repairs. • Owner(s) have not repaired structure or complied with the order to demolish. • City repair cost is conservatively estimated to be \$139,155 (approximately \$75.66 per square foot), which is 86.97% of the structure's assessed tax value. • Action is recommended to address the health and safety issues and other blighted conditions of the structure. • We have reason to believe the owner may be deceased; however, we have not been able to verify this. A Notice and Order was also issued to the Known and Unknown Heirs of George Edward Emch.

Definitions:

Dilapidated: The Minimum Housing Code defines a structure as unfit for human habitation if it cannot be repaired, altered or improved to comply with minimum standards of fitness at a cost greater than 65% of its physical value as determined by a finding of the inspector.

Lis Pendens. Lis pendens is an official notice to the public that a lawsuit involving a claim on a property has been filed.

Parties in Interest. Parties in interest are parties other than property owners that are identified in the Title Search as having an interest in the property. Examples include mortgage holders, banks, and other lien holders.

Reason for Inspection. There are several ways a property inspection can be initiated: a tenant can file a complaint if they believe there are violations in their unit; a petition signed by five individuals can be submitted to the city; a public agency referral can be received (e.g., from CMPD, CFD, CMS, DSS, Mecklenburg County Health, etc.); or a field observation by Code Enforcement Staff can occur.

Title Search. A title search is the process of examining public records to determine and confirm a property's legal ownership and identify any claims or liens against it.

Reference – In Rem Process Following City Council Approval

The following overview is intended to provide further explanation for the process of In Rem actions that are approved by City Council.

- Following In Rem approval by City Council, Housing and Neighborhood Services Code Enforcement Staff initiate enforcement of the approved action.
- Quotes for contractor services are requested from pre-approved firms chosen through a Request for Proposals (RFP) based on qualifications, experience, cost and responsiveness to RFP requirements.
- Upon receiving quotes for the approved In Rem services, staff authorize the selected firm to proceed with the approved work. Note that if the structure is occupied, relocation of occupants occurs prior to demolition.
- Once the contractors have completed the In Rem services, they submit an invoice to the city and city processes the payment.
- A lien is placed on the property for the city's expenses related to the approved activities, and the lien is filed in the public records.
